

SI Instruments HD3000 Durometer

The Shore A and D Durometer HD3000 features a full sized non-reflective dial face for readability accuracy. The Durometer conforms to DIN 53505, ISO 868, ISO 79619 and ASTM D 2240. Model HD3000 offers maximum accuracy available in a dial model gauge at minimum cost. The HD3000 Durometer can be used as a hand-held Durometer and can also be fitted to the test stand for increased measuring accuracy
